### PERSONAL INDEMNITY:

Personal Indemnity for Hibiscus Underwater Club hereinafter referred to as HUC. In seeking to participate in the HUC, situated on the South Coast of KwaZulu-Natal. The above named, do hereby warrant and acknowledge:

1. That spearfishing, breath hold sport and underwater hockey is an extreme sport.
2. That my general health is good and there is nothing which renders me unfit to participate in the above mentioned activities.
3. That I understand and appreciate fully the fact that there may well be risks, hazards and dangers involved to which I would be subjected, more particularly, that breath-hold diving has been responsible for the deaths of numerous divers in the past years due to shallow water blackout and other factors. That the water in which spearfishing takes place has many hazards including but not limited to sharks, blue bottles, strong currents and dangerous waves. That boating in the sea off the South African coast can be hazardous.

I accept the above mentioned risks and I voluntarily assume the risk inherent in taking part in such activities and I, together with my heirs, legal guardian, parents, executors and administrators hereby release HUC, its officers, servants, agents and representatives, from any duty or care towards me, in connection with my participation in the mentioned activities, and from liability from all or any claims that could accrue to me or my heirs, executors and administrators arising out of my participation in any related activities irrespective of whether such claim or claims arose through the negligence of any person, or from any of the risks, dangers or hazards inherent in spearfishing and/or underwater hockey, or of any loss of, or damage to, any property from any cause whatsoever and I further indemnify and hold harmless associated persons against any claims howsoever the same may arise.

I have carefully read this release and indemnity and fully understand its contents. I am aware that this document affects my legal rights and liabilities and those of my heirs, next of kin and personal representative.

The above mentioned conditions would also apply to **Junior member** that become members due to the parents / legal guardians association with HUC.

The junior members details must be added to this application.

I sign this release and indemnity of my own free will after having a reasonable opportunity to review it. I furthermore agree to abide by the rules of the club and decisions of the committee.
